ERRATUM TO DECISION AND DIRECTION OF ELECTION

On February 22, 2021, I issued a Decision and Direction of Election (Decision) in this matter. The appropriate unit listed on page 8 of the Decision inadvertently omitted the exclusions from the appropriate unit. Moreover, it is noted that the stipulation concerning the appropriate unit entered into by the parties in Board Exhibit 2 contains an apparent error by using the phrase “Denver International Union” instead of “Denver International Airport.” Accordingly, the appropriate bargaining unit is:

All full-time and regular part-time security officers, including total queue management (TQM), performing guard duties as defined in Section 9(b)(3) of the National Labor Relations Act, employed by the Employer at Denver International Airport; excluding all trainers, schedulers, administrative staff, office clerical employees, professional employees, managers, and supervisors as defined in the Act.

All other language in the Decision and Direction of Election remains as originally issued.

Issued at Denver, Colorado on this 23rd day of February 2021
